La Piazza Set in the heart of Paciano, officially recognised as one of The Most Beautiful Villages in Italy, this beautifully renovated apartment offers a rare blend of medieval charm and modern elegance. The property, located on the top floors of a historic building, features a bright living room leading to a large farmhouse-style kitchen with a fireplace. This dual-aspect room overlooks the village's main square on one side and opens onto a spectacular roof terrace on the other. The terrace serves as a private lookout, with views stretching across the Umbrian landscape.
