Casa Sole Just a few minutes from the beautiful medieval village of Panicale, this semi detached house with garden and garage! The house is on two levels: on the ground floor there is a large bright kitchen with dining area, a living room, a bathroom and a laundry room. On the first floor there are two double bedrooms, two single bedrooms and a bathroom. The property is incredibly bright thanks to the wide windows. The house includes a little garden and a garage. It is important to consider the photovoltaic system of a potential of 3 KW. To see the video :
