LA GINESTRA Immersed in uncontaminated nature where peace and silence reign, in a residence made up of various farmhouses completely renovated in 2007—apartment with a private garden, as well as access to an expansive park, parking areas, and a communal swimming pool. The property is reached via a private driveway with a gated entrance. A loggia leads into the living area, which includes a lounge with a fireplace and a kitchenette; the layout further comprises a bedroom with an en-suite bathroom, a hallway, a second bathroom, and a second bedroom.
